

LEXINGTON COMMUNITY EDUCATION

and

2018-2019 School Year

Dear Parent & Student,

Lexington Community Education has partnered with CS Driving School to offer a Driver Education Program at Lexington High School.

The Massachusetts Registry of Motor Vehicles Driver Education Program consists of the following:

- 30 Hours Classroom Instruction
- 12 Hours Behind-the-Wheel Instruction
- 6 Hours In-Car Observation
- 2 Hour Parent Class (*Parents are encouraged to attend a Parent Class before their teen begins Driver Education*)
- 40 Hours Behind-the-Wheel Instruction with a Parent, Guardian or someone at least 21 years old with a valid Driver's License and a minimum of 1-year driving experience.

This package qualifies for the Massachusetts Driver Education Certificate of Completion

Classroom Instruction is available to students who are at least 15 years and 9 months of age prior to the first day of class. For Behind-the-Wheel Instruction, students must be 16 years old and have a Massachusetts Learner's Permit.

CS Driving School must have a copy of the student's Learner's Permit on file prior to scheduling Behind-the-Wheel lessons. Once a copy of the Learner's Permit has been received by CS, the student can begin scheduling Behind-the-Wheel lessons through the Student Portal. CS offers lessons seven days a week. Students can be picked-up or dropped-off at Home or School provided it's in the same town.

A 24-hour cancellation notice is required to avoid a \$60 cancellation fee if the student changes or cancels a driving lesson or pick-up/drop-off location. This fee also applies if a student does not appear for a scheduled lesson, does not have his/her Original Permit, Glasses or Contacts for Behind-the-Wheel Instruction. Outstanding charges must be paid before another Behind-the-Wheel lesson can be scheduled.

Online Registration is available through CS Driving School at www.csdriving.com; Locations, Lexington High School, Enroll.

REGISTRATION IS REQUIRED. No student can attend Class without being pre-registered.
